Courses taken on an approved study abroad program may be substituted for elective hours with departmental approval. The 18 hours required in the minor exclude FRE 101 and FRE 102. 12 of the 18 required hours must be in 300-level courses. Minors must earn a grade of C or better in all French courses needed to satisfy minor requirements. Students who are placed directly in upper-level (5<sup>th</sup> semester and higher) need to apply for AP credit in order to have FRE 203 and 204 count as electives. Native speakers of French cannot earn credit for FRE 203 and 204 (they need to take six 300-level courses). Native, near-native, or heritage speakers of French need to take FRE 306 regardless of proficiency.

Note: HUM 294 (Introduction to the French-Speaking World) and FRE 280 (Introduction to French Literature and Culture) do not count towards the major or minor.
