All mathematics minors must earn C- or better in the classes needed to satisfy the minor requirements.

All mathematics courses at Westminster College require the use of TI-84+ graphic calculators. Other computer software such as Minitab, Maple, and Geometer's Sketchpad are integrated into course work where appropriate.

**If MAT 313 is taken instead of MAT 114, it will not count as one of the two elective courses.*

You can find the course descriptions for all courses required for this major by clicking on the following links:
